Education & Work

18/03 – 22/02	B.S., Information & Statistics Yonsei University, Wonju (GPA: 4.05 /4.5)
23/03 – 25/02	M.S., Industrial Engineering, Financial AI Investing Lab Yonsei University, Seoul (GPA: 4.19/4.5)
25/01 – 25/03	Internship, QV LABS (QVEST Technologies) Quant Researcher
25/06 – (~ing)	Ph.D., Artificial Intelligence, Quantitative Finance Lab Yonsei University, Seoul (GPA: /4.5) Advisor - Jun Kyung Auh (Professor, Dept. of Finance at School of Business, Dept. of Artificial Intelligence)

Research Interest

AI in Finance
Empirical Asset Pricing
Conditional Asset Pricing & Dynamic Portfolio Allocation
Cross-Asset Predictability
Financial Multi-Modal Learning / AI Reliability & Explainability

Awards

21/07 – 21/12	2021 Big Contest Data Analysis Competition, Futures League Division Award from the President of the National Information Society Agency (2 nd prize)
21/09 – 21/11	CJ Logistics Future Technology Challenge, AI & Big Data Competition Selected Entry (Top 20)
22/02 – 22/02	2022 Korean Statistical Society President's Award

22/06 – 22/09 7th Lotte Members Big Data Competition
Excellence Award (3rd prize)

Project Experience

21/09 – 21/12	Development of a New Deep Learning Model Based on Convolution for Structured Time Series Data Analysis
22/01 – 22/03	Development and Enhancement of a Major Recommendation System for Students at Yonsei University's Mirae Campus
22/03 – 22/12	Development of Deep Learning-Based Emission Tomography Technology for Verification of Partial Defects in Nuclear Fuel Assemblies
22/06 – 22/12	Development of an Artificial Intelligence Algorithm for Predicting Sudden Sensorineural Hearing Loss
24/07 – 24/12	FBA Capstone Project with QV LABS – Financial Market Regime-Switching for Factor Investing with Contrastive Clustering

Leadership Experience

21/03 – 22/12	YDMS (Yonsei Data Mining School) head of department University Society
18/03 – 22/12	Yonsei University's Central Cheering Club 'Bisang' Vice Leader
24/02 – present	FBA Quant (Financial Bigdata Analysis Quant) University Association Society

Other skills

Programming	Python, R
Data Analysis	Tabular & Time Series(High), Text(Middle), Image & Knowledge Graph(Low)
Finance	Financial Engineering, Factor Investing, Portfolio Optimization, Market Regime Analysis
Certificates	ADSP, SQLD, e-Test Professionals & e-Test OA Master 1 st grade
